COURT ACTION: EP: Resentencing -

Defendant Yusuf Samori present and in custody.

Discussion held re: status of this case.

Defendant has served the original prison term, and there is nothing left for the Court to address.

Court stated that the original sentence that was imposed was reasonable in light of 18 USC 3553(a), and it would have imposed the same sentence even if it knew that the sentencing guidelines were advisory at the time of sentencing.

Court to enter a new judgment.
